

# Custom Arrangement Form ITS Test Blocks / STP Test Plugs

## STEP 1 ► SPECIFY QUANTITY OF MODULES

To specify quantity of modules put an X in the **MODULE TYPE** boxes of unwanted modules.

**Example:**  = No module needed

## STEP 2 ► SPECIFY MODULE FUNCTION

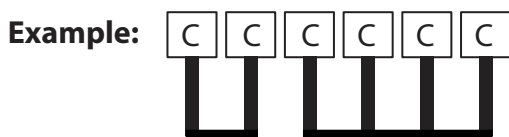

To specify module function put selected module function code into **MODULE TYPE** boxes.

**Module Type Codes:**  = Current  = Voltage  = Signal

## STEP 3 ► SPECIFY CURRENT SHORTING BRIDGES

To specify **SHORTING BRIDGES** connect black bars to designate location and length.

Current shorting takes place on the A-side (system side) upon test plug insertion into test block.

Shorting bridges are offered between either 2 or 4 modules

## STEP 4 ► LABEL COLORS (OPTIONAL)

Default colors: Current = White      Voltage and Signal = Red

For custom label colors and/or inscriptions, please describe your needs: \_\_\_\_\_

**Available Colors:**  = White  = Yellow  = Green  = Violet  = Red  = Blue

## STEP 5 ► SPECIFY ORDER DETAILS

Quantity of ITS Test Blocks: \_\_\_\_\_

Quantity of STP Test Plugs: \_\_\_\_\_

Include **Test Probes**:  *yes*  *no*

If yes, specify type and quantity of Test Probes:

*Double Module Current w/ Shorting Bridge*  
*STP-TP00C220*

Quantity: \_\_\_\_\_

*Single Module Potential & Trip*  
*STP-TP00S120*

Quantity: \_\_\_\_\_

*4 Module Current w/ Shorting Bridge*  
*STP-TP00C420*

Quantity: \_\_\_\_\_

Include ITS Test Block **Dust Covers**:  *yes*  *no*

If yes, specify ITS Dust Cover Type:  *see-through plastic*  *metal, light gray*

Include **Panel**:  *yes*  *no*

Panel Size:  *2U*  *3U*  *4U*

Description of Panel Arrangement: \_\_\_\_\_

## STEP 6 ► CONTACT INFORMATION

Contact information and signature of the engineer who designed the required configuration:

Name\* \_\_\_\_\_ Signature\* \_\_\_\_\_

Company\* \_\_\_\_\_ Title \_\_\_\_\_

Phone\* \_\_\_\_\_ Fax \_\_\_\_\_

Email\* \_\_\_\_\_

End User of this Configuration\* \_\_\_\_\_

\* = required fields

**WHEN FORM IS COMPLETE PLEASE SCAN AND EMAIL TO MAIL@SECUCONTROL.COM  
OR FAX TO 703.838.1661 TO RECEIVE A PRICE QUOTE OR PLACE AN ORDER.**
