

STS Configurations

Part Numbers

S T I ... Safety Test
opt. poles config. labeling Switch IED with ba-
nana jacks on device
side

S T S ... Safety Test
opt. poles config. labeling Switch with banana
jacks on device side
and system side

with the following options:

- A ... screw connections and status windows with transparent lids
- C ... screw connections and no status windows
- X ... stud connections and no status windows
- Z ... stud connections and status windows with transparent lids

Configurations available from SecuControl are listed on the following pages. Should your application require a configuration that is not listed below, please contact SecuControl using the contact form on www.secucontrol.com or use the online configuration tool.
